To: The Shareholders of Winking Studios Limited

Dear Sir/Madam,

THE PROPOSED ADOPTION OF THE SHARE BUYBACK MANDATE

1 INTRODUCTION

The Directors wish to refer to (i) the Notice of EGM (as defined below) accompanying this Circular to convene the EGM and (ii) the ordinary resolution for the proposed adoption of the Share Buyback Mandate (the “**Resolution**”), which enables the Company to purchase or otherwise acquire Shares.

The Directors are convening the EGM to seek Shareholders’ approval for the proposed adoption of the Share Buyback Mandate by way of an ordinary resolution, notice of which is set out in the notice of EGM (the “**Notice of EGM**”).

The purpose of this Circular is to provide Shareholders with information relating to, and to seek Shareholder’s approval for, the proposed adoption of the Share Buyback Mandate.

The SGX-ST takes no responsibility for the contents of this Circular, including the accuracy, completeness or correctness of any of the information, statements or opinions made or reports contained in this Circular.

2 THE PROPOSED ADOPTION OF THE SHARE BUYBACK MANDATE

2.1 Background

As a Cayman Islands-incorporated company dual listed on the Catalist of the SGX-ST and the AIM Market of the London Stock Exchange, any purchases or acquisitions of Shares by the Company will have to be made in accordance with, and in the manner prescribed by, the provisions of the Catalist Rules, the AIM Rules for Companies, the Singapore Take-Over Code, the Cayman Islands Companies Act, the Memorandum and Articles of Association, and such other laws and regulations as may from time to time be applicable.

LETTER TO SHAREHOLDERS

Article 3(2) of the Memorandum and Articles of Association provides, *inter alia*, that subject to the Cayman Islands Companies Act, the Memorandum and Articles of Association and, where applicable, the rules or regulations of the Catalist of the SGX-ST and/or the London Stock Exchange, the Company shall have the power to purchase or otherwise acquire its own Shares and such power shall be exercisable by the Board in such manner, upon such terms and subject to such conditions as it thinks fit. Article 3(4) of the Memorandum and Articles of Association further provides when the Shares are listed on the Catalist of the SGX-ST and the AIM Market of the London Stock Exchange, the prior approval of the shareholders in general meeting for such purchase or acquisition shall be required. Further, under Rule 866 of the Catalist Rules, a company may purchase its own shares if it has obtained the prior specific approval of shareholders in general meeting. Accordingly, approval is being sought from the Shareholders at the EGM for the adoption of the Share Buyback Mandate to enable the Company to purchase or acquire its issued Shares.

If approved by Shareholders at the EGM, the authority conferred by the Share Buyback Mandate will take effect from the date thereof and continue in force until (a) the next annual general meeting of the Company is held or as required by law to be held (whereupon it will lapse, unless renewed at such annual general meeting), (b) it is varied or revoked by the Company in a general meeting (if so varied or revoked prior to the next annual general meeting of the Company or the date the next annual general meeting is required by law to be held), or (c) the date on which purchases and/or acquisitions of Shares pursuant to the Share Buyback Mandate are carried out to the full extent mandated, whichever is the earliest.

2.2 Rationale for the Share Buyback Mandate

The rationale for the Company to undertake the purchase or acquisition of Shares is as follows:

- (a) the Share Buyback Mandate will provide the Company with the flexibility to undertake share purchases and acquisitions at any time, subject to market conditions, during the period when the Share Buyback Mandate is in force;
- (b) to provide the Company with a mechanism to facilitate the return of surplus cash over and above its ordinary capital requirement in an expedient, effective and cost-efficient manner. It will also provide the Directors with greater flexibility over the Company's share capital structure with a view to enhancing the EPS and/or NTA per Share when the Share Buyback Mandate is in force;
- (c) to help mitigate short-term market volatility, offset the effects of short-term speculation and bolster Shareholders' confidence; and
- (d) Shares purchased pursuant to the Share Buyback Mandate will either be cancelled or held as Treasury Shares, as may be determined by the Directors, and such Treasury Shares may be transferred for the purposes of or pursuant to the Company's share option or award scheme (if any), including the Winking Studios Performance Share Plan, in order to satisfy the exercise of any options granted or the awards given thereunder (if any).

LETTER TO SHAREHOLDERS

The purchase or acquisition of Shares will only be undertaken if the Directors believe that it can benefit the Company and its Shareholders. No purchase or acquisition of Shares will be made in circumstances which would have or may have a material adverse effect on the liquidity and capital adequacy position of the Group as a whole and/or affect the listing status of the Company on the Catalist of the SGX-ST or the AIM Market. Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Buyback Mandate may not be carried out to the full limit as authorised.

2.3 Authority and Limits of the Share Buyback Mandate

The authority and limitations placed on purchases or acquisitions of Shares by the Company under the Share Buyback Mandate, if adopted at the EGM, are summarised below:

2.3.1 Maximum Number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company.

The total number of Shares that may be purchased or acquired by the Company or total amount that may be paid by the Company pursuant to the Share Buyback Mandate is limited to that number of Shares representing no more than 10% of the total number of issued Shares (excluding any Treasury Shares and subsidiary holdings) as at the date of the EGM, unless the Company has effected a reduction of its share capital in accordance with the applicable provisions of the Cayman Islands Companies Act, at any time during the Relevant Period, in which event the total number of issued Shares shall be taken to be the total number of issued Shares as altered by the capital reduction (excluding any Treasury Shares that may be held by the Company from time to time), and provided that in any event, the Company shall not expend more than US\$3 million in aggregate for repurchase of shares transactions undertaken by the Company in any consecutive period of two (2) weeks during the Relevant Period (excluding ancillary expenses such as related brokerage, commission, goods and services tax, stamp duties, clearance fees and other related expenses (where applicable)).

Purely for illustrative purposes, on the basis of the existing total number of issued Shares, being 441,938,118 Shares (excluding any Treasury Shares and subsidiary holdings) and the Closing Market Price per Share of S\$0.23 (or approximately US\$0.18) as at the Latest Practicable Date, and assuming that no further Shares are issued on or prior to the EGM, not more than 44,193,811 Shares (representing 10% of the total number of issued Shares as at that date (excluding any Treasury Shares and subsidiary holdings) may be purchased or acquired by the Company pursuant to the Share Buyback Mandate.

However, as stated in Section 2.2 above and Section 2.7 below, purchases or acquisitions of Shares pursuant to the Share Buyback Mandate need not be carried out to the full extent mandated, and, in any case, would not be carried out to such an extent that would affect the listing status of the Company on the Catalist of the SGX-ST or the AIM Market. The public float of the Company as at the Latest Practicable Date is disclosed in Section 2.9 below.

LETTER TO SHAREHOLDERS

2.3.2 Duration of Authority

Share Buybacks may be made, at any time and from time to time, on and from the date of the EGM, at which the proposed adoption of the Share Buyback Mandate is approved, up to:

- (a) the conclusion of the next annual general meeting of the Company or the date on such annual general meeting is required by law to be held, whichever is earlier (whereupon it will lapse, unless renewed at such meeting);
- (b) the date on which the authority conferred by the Share Buyback Mandate is revoked or varied by the Company at a general meeting (if so varied or revoked prior to the next annual general meeting of the Company); or
- (c) the date on which purchases and/or acquisitions of Shares pursuant to the Share Buyback Mandate are carried out to the full extent mandated,

whichever is the earliest (the “**Relevant Period**”).

The authority conferred on the Directors by the Share Buyback Mandate to purchase and/or acquire Shares may be renewed by the Shareholders in a general meeting of the Company, such as the next annual general meeting of the Company or at an extraordinary general meeting of the Company to be convened immediately after the conclusion or adjournment of the next annual general meeting of the Company.

2.3.3 Manner of Purchase or Acquisition of Shares

Purchases or acquisitions of Shares by the Company may be made by way of:

- (a) on-market purchases, through the SGX-ST’s and/or the London Stock Exchange’s trading systems or, as the case may be, on any other stock exchange on which the Shares may for the time be listed and quoted, through one or more duly licensed stockbrokers appointed by the Company for the purpose (“**Market Purchases**”); and/or
- (b) off-market purchases in accordance with an equal access scheme as defined in Section 76C of the Singapore Companies Act (“**Off-Market Purchases**”).

In an Off-Market Purchase, the Directors may impose such terms and conditions, which are not inconsistent with the Share Buyback Mandate, the Catalist Rules, the AIM Rules for Companies, the Cayman Islands Companies Act, the Memorandum and Articles of Association and any other applicable laws and regulations, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme(s).

If the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, the Company must, as required under Rule 870 of the Catalist Rules, issue an offer document to all Shareholders containing at least the following information:

- (a) the terms and conditions of the offer;

LETTER TO SHAREHOLDERS

- (b) the period and procedures for acceptances;
- (c) the reasons for the proposed purchase or acquisition of Shares;
- (d) the consequences, if any, of the purchases or acquisitions of Shares by the Company that will arise under the Singapore Take-Over Code or other applicable take-over rules;
- (e) whether the purchases or acquisitions of Shares, if made, would have any effect on the listing of the Shares on the SGX-ST;
- (f) details of any purchases or acquisitions of Shares made by the Company in the previous 12 months (whether by way of Market Purchases or Off-Market Purchases), including the total number of Shares purchased or acquired, the purchase price per Share or the highest and lowest prices paid for such purchases or acquisitions, where relevant, and the total consideration paid for such purchases or acquisitions; and
- (g) whether the Shares purchased by the Company will be cancelled or kept as Treasury Shares.

2.3.4 Maximum Purchase Price

The purchase price (excluding related or ancillary expenses in respect of the purchase or acquisition of Shares such as brokerage, commission, applicable goods and services tax, stamp duties and clearance fees and other related expenses (where applicable)) to be paid for a Share will be determined by the Directors, provided that such purchase price must not exceed:

- (a) in the case of a Market Purchase, 105% of the Average Closing Price (as defined hereinafter) of the Shares; and
- (b) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120% of the Average Closing Price (as defined hereinafter),

(the “**Maximum Price**”).

For the above purposes:

“**Average Closing Price**” means

- (i) in the case of a Market Purchase, the average of the Closing Market Prices (as defined below) of a Share over the last five (5) Market Days on which the Shares are transacted on the Catalist of the SGX-ST or, as the case may be, such stock exchange on which the Shares are listed or quoted, immediately preceding the date of the Market Purchase by the Company; or
- (ii) in the case of an Off-Market Purchase, the average of the Closing Market Prices (as defined below) of a Share over the last five (5) Market Days on which the Shares are transacted on the Catalist of the SGX-ST or, as the case may be, such stock exchange on which the Shares are listed or quoted, immediately preceding the date of the making of the offer pursuant to the Off-Market Purchase,

LETTER TO SHAREHOLDERS

and deemed to be adjusted in accordance with the Catalist Rules, for any corporate action that occurs during such five (5) Market Day period and the day of the Market Purchase or, as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase;

“Closing Market Price” means the last dealt price for a Share transacted through the SGX-ST’s trading system as shown in any publication of the SGX-ST or other sources; and

“date of the making of the offer” means the date on which the Company announces its intention to make an offer for the purchase or acquisition of Shares from Shareholders, stating therein the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

2.4 Status of Purchased Shares

At the time of each share buyback, the Directors will decide whether the Shares purchased or acquired will be cancelled or kept as Treasury Shares, or partly cancelled and partly kept as Treasury Shares, taking into consideration the then prevailing circumstances and requirements of the Company at the relevant time.

A Share purchased or acquired by the Company is, unless resolved to be held by the Company as a Treasury Share in accordance with the Cayman Islands Companies Act, treated as cancelled immediately on purchase or acquisition. On such cancellation, all rights and privileges attached to that Share will expire and the Company’s issued share capital (but not its authorised share capital) shall be diminished by the nominal value of that Share. Accordingly, the total number of issued Shares, but not the Company’s authorised share capital, will be diminished by the number of Shares purchased or acquired by the Company which are cancelled.

All Shares purchased or acquired by the Company and cancelled (and not held as Treasury Shares by the Company) will be automatically delisted by the SGX-ST and/or the London Stock Exchange and (where applicable) all certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following the settlement of any such purchase or acquisition of Shares.

2.5 Treasury Shares

Under the Cayman Islands Companies Act, a company may hold shares so purchased or acquired as treasury shares provided that:

- (a) the memorandum and articles of association of the company do not prohibit it from holding treasury shares;
- (b) the relevant provisions of the memorandum and articles of association (if any) of the company are complied with; and
- (c) the company is authorised in accordance with the company’s articles of association or by a resolution of the directors to hold such shares in the name of the company as treasury shares prior to the purchase, redemption or surrender of such shares.

LETTER TO SHAREHOLDERS

The Articles of Association do not currently prohibit the Company from holding treasury shares and the Directors may choose to resolve to authorise the Company to hold treasury shares as described above.

Some of the provisions on treasury shares under the Cayman Islands Companies Act, the Catalyst Rules and the AIM Rules for Companies are summarised below:

2.5.1 Maximum Holdings

Shares purchased or acquired by the Company will be treated as cancelled on purchase or acquisition unless, subject to the Memorandum and Articles of Association, the Directors resolve, prior to the purchase or acquisition, to hold such Shares in the name of the Company as Treasury Shares.

The Company may hold Shares that have been purchased or acquired as Treasury Shares unless, as a result of the purchase or acquisition, there will no longer be any issued Shares of the Company other than Shares to be held as Treasury Shares.

Under laws of the Cayman Islands, where Shares are held as Treasury Shares, the Company shall be entered in the Register of Members as holding those Shares.

2.5.2 Voting and Other Rights

Where Shares purchased or acquired by the Company are held as Treasury Shares, the Company cannot exercise any right in respect of the Treasury Shares. In particular, the Company cannot exercise any right to attend and vote at meetings and any purported exercise of such a right by the Company as a shareholder shall be void (except in relation to a transfer of the treasury shares by the Company). A Treasury Share shall not be voted, directly or indirectly, at any general meeting and shall not be counted in determining the total number of issued Shares at any given time, whether for the purposes of the Articles of Association or the Cayman Islands Companies Act.

In addition, no dividend may be declared or paid, and no other distribution (whether in cash or otherwise) of the Company's assets may be made, to the Company in respect of the Treasury Shares. However, notwithstanding the aforesaid, Shares may be allotted as fully paid bonus shares to the Company in respect of a Treasury Share and such Shares allotted as fully paid bonus shares in respect of a Treasury Share shall be treated as Treasury Shares.

2.5.3 Disposal and Cancellation

Where Shares are held as Treasury Shares, the Company may at any time (but subject always to the Singapore Take-Over Code):

- (a) cancel the Treasury Shares in accordance with the provisions of the Articles of Association or (in the absence of any applicable provisions in the Articles of Association) by a resolution of the Directors, and if so cancelled, the amount of the Company's issued share capital (but not its authorised share capital) shall be diminished by the nominal or par value of those Treasury Shares accordingly;

LETTER TO SHAREHOLDERS

- (b) transfer the Treasury Shares for the purposes of or pursuant to any share option or award schemes implemented by the Company, including the Winking Studios Performance Share Plan; or
- (c) transfer the Treasury Shares to any person, whether or not for valuable consideration (including at a discount to the nominal or par value of such Treasury Shares).

Under the laws of the Cayman Islands, any cancellation or transfer of the Treasury Shares shall be entered in the Register of Members. Under Rule 704(31) of the Catalist Rules, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares (in each case, the “**usage**”). Such announcement must include details such as the date of the usage, the purpose of the usage, the number of treasury shares comprised in the usage, the number of treasury shares before and after the usage, the percentage of the number of treasury shares comprised in the usage against the total number of issued shares (of the same class as the treasury shares) which are listed before and after the usage, and the value of the treasury shares if they are used for a sale or transfer, or cancelled.

Under Rule 17 of the AIM Rules for Companies, an announcement should be made as soon as possible which includes details of the date of the movement into or out of treasury shares, the number of treasury shares of each class transferred into or out of treasury, the total number of treasury shares of each class held following such movements and the number of shares of each class in issue less the total number of treasury shares of each class following such movements.

2.6 Source of Funds

In purchasing or acquiring Shares, the Company shall only apply funds legally available in accordance with the Memorandum and Articles of Association, the Cayman Islands Companies Act and any other applicable laws in Singapore, the UK and the Cayman Islands. Furthermore, the Company may not purchase or acquire its Shares on the Catalist of the SGX-ST in accordance with the Memorandum and Articles of Association or for settlement otherwise than in accordance with the trading rules of the SGX-ST.

Under the Cayman Islands Companies Act, such purchases or acquisitions may be effected out of the profits of the Company, the share premium account or the proceeds of a fresh issue of Shares made for that purpose. In order to effect a purchase or acquisition of Shares out of profits or the share premium account, the Company will have to ensure that it has sufficient profits and amounts in the share premium account. Further, subject to Section 37 of the Cayman Islands Companies Act and in the manner authorised by the Memorandum and Articles of Association, a purchase or acquisition of Shares by the Company may also be effected by a payment out of capital. A payment out of capital by the Company for the purchase or acquisition of Shares is not lawful unless immediately following the date on which the payment out of capital is proposed to be made, the Company shall be able to pay its debts as they fall due in the ordinary course of business.

The Company intends to use internal resources or external borrowings, or a combination of both, to finance its purchase or acquisition of Shares pursuant to the Share Buyback Mandate. In purchasing or acquiring Shares pursuant to the Share Buyback Mandate, the Directors will, principally, consider the availability of internal resources. In addition, the

LETTER TO SHAREHOLDERS

Directors will consider the availability of external financing. The Directors do not propose exercising the Share Buyback Mandate in a manner and to such extent that the liquidity and capital adequacy position of the Group would be adversely affected. The purchase or acquisition of its own Shares will only be effected after considering the relevant factors such as the working capital requirements, availability of financial resources, the expansion and investment plans of the Group, and the prevailing market conditions.

2.7 Financial Effects

It is not possible for the Company to realistically calculate or quantify the impact of a Share Buyback on the NTA and EPS of the Company as the resultant effect would depend on, *inter alia*, whether the Shares are purchased or acquired out of the Company's profits or share premium account or the proceeds of a fresh issue of Shares made for that purpose or, subject to Section 37 of the Cayman Islands Companies Act, by a payment out of capital, the amount (if any) borrowed by the Company to fund the purchases or acquisitions, the aggregate number of Shares purchased or acquired, the purchase price paid at the relevant time for such Shares and whether the Shares purchased or acquired are held as Treasury Shares or cancelled.

The Company's issued share capital (but not its authorised share capital) will be diminished by the nominal value of the Shares purchased by the Company, and which are cancelled. The NTA of the Group will be reduced by the aggregate purchase price paid by the Company for the Shares.

For illustrative purposes only, the financial effects of the Share Buyback Mandate on the Company and the Group, based on the audited consolidated financial statements of the Group for FY2025, are presented with the assumptions set out below.

2.7.1 Purchase or Acquisition of Shares made from Capital and/or Profits

Where the consideration paid by the Company for the purchase or acquisition of Shares is made from the profits, such consideration (excluding any expenses incurred directly in the purchase or acquisition of the Shares) will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is from the capital, the amount available for the distribution of dividends by the Company will not be reduced.

2.7.2 Number of Shares Purchased or Acquired

As at the Latest Practicable Date, the Company has 441,938,118 Shares in issue. The Company does not hold any Treasury Shares or subsidiary holdings.

Purely for illustrative purposes, on the basis of 441,938,118 Shares in issue as at the Latest Practicable Date, assuming that no further Shares are issued on or prior to the EGM and no Shares are purchased or acquired and held as Treasury Shares, not more than 44,193,811 Shares (representing 10% of the total number of issued Shares (excluding any Treasury Shares and subsidiary holdings) as at the date of the EGM divided by S\$0.23 (or approximately £0.13 or approximately US\$0.18), being the Closing Market Price per Share as at the Latest Practicable Date) may be purchased or acquired by the Company pursuant to the Share Buyback Mandate.

LETTER TO SHAREHOLDERS

2.7.3 Maximum Price Paid for Shares Purchased or Acquired

- (a) In the case of Market Purchases by the Company, assuming that the Company purchases or acquires 44,193,811 Shares (representing 10% of the total number of issued Shares as at the date of the EGM (excluding any Treasury Shares and subsidiary holdings) at the Maximum Price of S\$0.24 (or approximately £0.14) for one (1) Share (being the price equivalent to 105% of the Average Closing Price of the Shares over the five (5) consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 44,193,811 Shares is approximately S\$10,606,514.64 (or approximately £6,187,133.54) (excluding ancillary expenses such as related brokerage, commission, goods and services tax, stamp duties, clearance fees and other related expenses (where applicable)).
- (b) In the case of Off-Market Purchases by the Company, assuming that the Company purchases or acquires 44,193,811 Shares (representing 10% of the total number of issued Shares (excluding any Treasury Shares and subsidiary holdings) as at the Latest Practicable Date) at the Maximum Price of S\$0.28 (or approximately £0.16) for one (1) Share (being the price equivalent to 120% of the Average Closing Price of the Shares over the five (5) consecutive Market Days on which the transactions in the Shares were recorded immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 44,193,811 Shares is approximately S\$12,374,367.08 (or approximately £7,071,009.76) (excluding ancillary expenses such as related brokerage, commission, goods and services tax, stamp duties, clearance fees and other related expenses (where applicable)).

2.7.4 Illustrative Financial Effects

For illustrative purposes only and on the basis of the assumptions set out in Sections 2.7.1 to 2.7.3 above, as well as the following:

- (a) the purchases or acquisitions of the 44,193,811 Shares were carried out on 1 January 2025;
- (b) such purchase or acquisition of Shares is financed solely by the internal resources of the Company available as at 31 December 2025; and
- (c) the transaction costs incurred for such purchase or acquisition of Shares pursuant to the Share Buyback Mandate are assumed to be insignificant and have been ignored for the purpose of computing the financial effects,

the financial effects of the purchase or acquisition of 44,193,811 Shares (representing 10% of the total number of issued Shares (excluding any Treasury Shares and subsidiary holdings) as at the Latest Practicable Date) pursuant to the Share Buyback Mandate:

- (a) by way of purchases made entirely out of capital and held as Treasury Shares;

- (b) by way of purchases made entirely out of profits and held as Treasury Shares;
- (c) by way of purchases made entirely out of capital and cancelled; and

Notes:

- (1) NTA refers to net assets less intangible assets.
- (2) NTA per Share equals to NTA divided by the number of Shares outstanding as at the Latest Practicable Date.
- (3) Basic EPS equals to net profit attributable to owners of the Company divided by the weighted average number of Shares during FY2025.
- (4) Gearing equals to total bank and other borrowings divided by total shareholders' equity.

Shareholders should note that the financial effects set out above, based on the respective assumptions stated above, are for illustration purposes only and are not necessarily representative of future financial performance. In particular, (i) it is important to note that the above analysis is based on historical audited figures for FY2025 and is not necessarily representative of future financial performance of the Company, (ii) the actual impact will depend on, *inter alia*, the actual number and price of Shares that may be purchased or acquired by the Company and whether the Shares purchased or acquired are held as Treasury Shares or cancelled and (iii) the

LETTER TO SHAREHOLDERS

Company will not undertake any purchase or acquisition of Shares under the Share Buyback Mandate (if approved) if the public float is below 10%, or if any such purchase or acquisition of Shares will result in the public float falling below 10%.

It should be noted that although the Share Buyback Mandate would authorise the Company to purchase or acquire up to 10% of the total number of issued Shares during the Relevant Period (excluding ancillary expenses such as related brokerage, commission, goods and services tax, stamp duties, clearance fees and other related expenses (where applicable)), the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10% of the total number of issued Shares as mandated. In addition, the Company may cancel or hold as Treasury Shares all or part of the Shares purchased or acquired by it. The Company will consider both financial and non-financial factors (for example, the public float of the Company, stock market conditions and the performance of the Shares) in assessing the relative impact of a Share Buyback before execution.

2.8 Tax Implications

Shareholders who are in doubt as to their respective tax positions or any tax implications arising from the purchase or acquisition of Shares by the Company, including those who may be subject to tax in a jurisdiction outside Singapore, should consult their own professional advisers.

2.9 Listing Status of the Shares

The Catalist Rules require a listed company to ensure that at least 10% of the total number of its issued shares (excluding preference shares, convertible equitable securities and treasury shares) in a class that is listed is held by the public at all times. The word “public” is defined in the Catalist Rules as persons other than the directors and chief executive officer of the listed company, its Substantial Shareholders, its Controlling Shareholders or its subsidiaries, as well as the associates of such persons.

As at the Latest Practicable Date, approximately 441,938,118 Shares, representing approximately 22.94% of the total number of issued Shares (excluding any Treasury Shares and subsidiary holdings), are held by the public. Assuming that (a) the Company repurchased the maximum of 10% of the total number of issued Shares at the Latest Practicable Date from the public and (b) the number of Shares held by the Substantial Shareholders and the Directors remain unchanged, the percentage of Shares held by the public would be reduced to approximately 10% of the total number of issued Shares (excluding any Treasury Shares and subsidiary holdings).

Accordingly, the Company is of the view that there is a sufficient number of issued Shares held by public Shareholders which would permit the Company to undertake purchases or acquisitions of its Shares up to the full 10% limit pursuant to the Share Buyback Mandate without adversely affecting the listing status of the Shares on either the Catalist of the SGX-ST or the AIM Market, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or to affect orderly trading of the Shares.

LETTER TO SHAREHOLDERS

The Company, when purchasing or acquiring its Shares, will consider investor interests when maintaining a liquid market in its securities and will ensure (i) that there is a sufficient float for an orderly market in the Company's securities and (ii) that the listing status of the Shares on the Catalist of the SGX-ST and AIM Market of the London Stock Exchange is not affected by such Share Buyback. In particular, the Company will not undertake any purchase or acquisition of Shares under the Share Buyback Mandate (if approved) if the public float is below 10%, or if any such purchase or acquisition of Shares will result in the public float falling below 10%.

2.10 Share Purchases in the Previous 12 Months

The Company has not purchased or acquired any Shares in the 12 months immediately preceding the Latest Practicable Date.

2.11 Limits on Shareholdings

The Company does not have any limits on the shareholding of any Shareholder.

2.12 Catalist Rules

Whilst the Catalist Rules do not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the Company would be regarded as an "insider" in relation to any proposed purchase or acquisition of its Shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the Share Buyback Mandate at any time after a price sensitive development has occurred or has been the subject of a consideration and/or decision of the Board until the price sensitive information has been publicly announced.

In particular, in line with the best practices on securities dealings set out in Rule 1204(19) of the Catalist Rules, the Company will not purchase or acquire any Shares through Market Purchases or Off-Market Purchases during the period of one (1) month immediately preceding the announcement of the Company's half-year and full-year financial statements (as the Company does not announce quarterly financial statements) and ending on the date of announcement of the relevant financial statements.

2.13 AIM Rules for Companies

Article 19 of UK's Market Abuse Regulation (the "**UK MAR**") contains restrictions on dealings in a closed period and such restrictions are applicable to persons discharging managerial responsibilities ("**PDMRs**"), but not issuer companies.

Articles 14 and 15 of the UK MAR prohibit any person dealing on the basis of inside information and market manipulation, respectively.

Therefore, whilst there is no prohibition on companies admitted to trading on the AIM Market of the London Stock Exchange from purchasing or acquiring their own shares during closed periods, the Company should not make such purchases or acquisitions of its own shares if the possession of "inside information" and/or the purchase or acquisition would constitute market manipulation (i.e. likely to give a false or misleading impression to the market as to the supply of, demand for or price of its shares), unless the behaviour comes within the safe harbour rules set out in the UK MAR.

LETTER TO SHAREHOLDERS

In accordance with Rule 21 of the AIM Rules for Companies, the Company has a share dealing policy that, *inter alia*, sets out close periods during which the directors and applicable employees (being PDMRs other than directors) cannot deal. PDMRs must, therefore, comply with the UK MAR and the Company's share dealing policy when selling shares back to the Company.

2.14 Reporting Requirements

Under Rule 704(31) of the Catalist Rules, an immediate announcement must be made of any sale, transfer, cancellation and/or use of Treasury Shares (in each case, the “usage”). Such announcement must include details such as the date of the usage, the purpose of the usage, the number of Treasury Shares comprised in the usage, the number of Treasury Shares before and after the usage, the percentage of the number of Treasury Shares comprised in the usage against the total number of issued shares (of the same class as the Treasury Shares) which are listed before and after the usage, and the value of the Treasury Shares if they are used for a sale or transfer, or cancelled.

Under Rule 871 of the Catalist Rules, the Company shall report all purchase or acquisitions of its Shares to the Catalist of the SGX-ST no later than 9.00 a.m.:

- (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its Shares; and
- (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer.

Such announcement (which must be in the form of Appendix 8D to the Catalist Rules) must include, *inter alia*, details of the total number of Shares authorised for purchase or acquisition, the date of the purchase or acquisition, the total number of Shares purchased or acquired, the number of Shares cancelled, the number of Shares held as Treasury Shares, the purchase price per Share or the highest and lowest prices paid for such Shares, as applicable, the total consideration (including stamp duties and clearing charges) paid or payable for the Shares, the number of Shares purchased as at the date of announcement (on a cumulative basis), the number of issued Shares (excluding any Treasury Shares and subsidiary holdings) and the number of Treasury Shares after the purchase or acquisition.

Under Rule 17 of the AIM Rules for Companies, an announcement should be made as soon as possible which includes details of the date of the movement into or out of treasury shares, the number of treasury shares of each class transferred into or out of treasury, the total number of treasury shares of each class held following such movements and the number of shares of each class in issue less the total number of treasury shares of each class following such movements.

2.15 Singapore Take-Over Code Implications

Appendix 2 of the Singapore Take-Over Code (“**Appendix 2**”) contains the Share Buy-Back Guidance Note. The take-over implications arising from any purchase or acquisition of Shares by the Company pursuant to the Share Buyback Mandate are summarised below.

2.15.1 Obligation to make a Take-Over Offer

If, as a result of any purchase or acquisition by the Company of its Shares under the Share Buyback Mandate, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Singapore Take-Over Code. If such increase results in a change of effective control, or, as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a take-over offer for the Company under Rule 14 of the Singapore Take-Over Code.

Rule 14.1 of the Singapore Take-Over Code requires, *inter alia*, that, except with the consent of the SIC, where:

- (a) any person acquires, whether by a series of transactions over a period of time or not, shares which (taken together with shares held or acquired by persons acting in concert with him) carry 30% or more of the voting rights of a company; or
- (b) any person who, together with persons acting in concert with him, holds not less than 30% but not more than 50% of the voting rights and such person, or any person acting in concert with him, acquires in any period of six (6) months additional shares carrying more than 1% of the voting rights,

such person shall extend immediately an offer on the basis set out below to the holders of any class of shares in the capital which carries votes and in which such person or persons acting in concert with him hold shares. In addition to such person, each of the principal members of the group of persons acting in concert with him may, according to the circumstances of the case, have the obligation to extend an offer.

The offer required to be made under the provisions of Rule 14.1 of the Singapore Take-Over Code shall, in respect of each class of shares in the capital involved, be in cash or be accompanied by a cash alternative at the Required Price.

For the above purposes, “**Required Price**” means, in relation to the offer required to be made under the provisions of Rule 14.1 of the Singapore Take-Over Code, that the offer shall be in cash or be accompanied by a cash alternative at a price in accordance with Rule 14.3 of the Singapore Take-Over Code, which is the highest price paid by the offerors and/or person(s) acting in concert with them for the shares: (i) during the offer period and within the preceding six (6) months; (ii) acquired through the exercise of instruments convertible into securities which carry voting rights within six (6) months of the offer and during the offer period; or (iii) acquired through the exercise of rights to subscribe for, and options in respect

LETTER TO SHAREHOLDERS

of, securities which carry voting rights within six (6) months of the offer or during the offer period; or at such price as determined by the SIC under Rule 14.3 of the Singapore Take-Over Code.

2.15.2 Persons Acting in Concert

Under the Singapore Take-Over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company.

Unless the contrary is established, the Singapore Take-Over Code presumes, *inter alia*, the following individuals and companies to be persons acting in concert:

- (a) the following companies:
 - (i) a company;
 - (ii) the parent company of (a)(i);
 - (iii) the subsidiaries of (a)(i);
 - (iv) the fellow subsidiaries of (a)(i);
 - (v) the associated companies of any of (a)(i), (a)(ii), (a)(iii) or (a)(iv);
 - (vi) companies whose associated companies include any of (a)(i), (a)(ii), (a)(iii), (a)(iv) or (a)(v); and
 - (vii) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights,

(for the purposes of the foregoing, a company is an associated company of another company if the second company owns or controls at least 20% but not more than 50% of the voting rights of the first mentioned company);
- (b) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts); and
- (c) the following persons and entities:
 - (i) an individual;
 - (ii) the close relatives of (c)(i);
 - (iii) the related trusts of (c)(i);
 - (iv) any person who is accustomed to act in accordance with the instructions of (c)(i);

LETTER TO SHAREHOLDERS

- (v) companies controlled by any of (c)(i), (c)(ii), (c)(iii) or (c)(iv); and
- (vi) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the acquisition of voting rights.

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively, will incur an obligation to make a take-over offer under Rule 14 of the Singapore Take-Over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2.

2.15.3 Effect of Rule 14 and Appendix 2 of the Singapore Take-Over Code

In general terms, the effect of Rule 14 and Appendix 2 is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer for the Company under Rule 14 if, as a result of the Company purchasing or acquiring Shares, (a) the voting rights of such Directors and their concert parties would increase to 30% or more; or (b) if the voting rights of such Directors and their concert parties fall between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six (6) months. In calculating the percentages of voting rights of such Directors and their concert parties, Treasury Shares shall be excluded.

Under Appendix 2, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Shareholder in the Company would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the Resolution to be tabled at the EGM.

Based on the interests of Substantial Shareholders as recorded in the Company's register of Substantial Shareholders as at the Latest Practicable Date, none of the Substantial Shareholders would become obliged to make a take-over offer for the Company under Rule 14 of the Singapore Take-Over Code as a result of the purchase or acquisition by the Company of 10% of its Shares as at the Latest Practicable Date. Further details of the interests of Directors and Substantial Shareholders in the Shares as at the Latest Practicable Date are set out in Section 3 of this Circular.

The Directors are not aware of any Shareholder who may become obligated to make a mandatory take-over offer in the event that the Company purchases or acquires its Shares up to the full 10% limit pursuant to the Share Buyback Mandate.

LETTER TO SHAREHOLDERS

The statements herein do not purport to be a comprehensive or exhaustive description of all implications that may arise under the Singapore Take-Over Code. Shareholders are advised to consult their professional advisers and/or the SIC at the earliest opportunity as to whether an obligation to make a take-over offer would arise by reason of any purchase or acquisition of Shares by the Company.

personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting services provider(s), who will be able to take the appropriate action on their behalf.

For instructions made using the CREST service to be valid, the appropriate CREST message (a CREST Voting Instruction) must be properly authenticated in accordance with the specifications of Euroclear UK & International Limited (**EUI**) and must contain the information required for such instructions, as described in the CREST Manual.

To be effective, the CREST Voting Instruction must be transmitted so as to be received by the issuer's agent (ID 3RA50) no later than 4.30 p.m. (Singapore time)/9.30 a.m. (UK time) on 27 April 2026. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the CREST Voting Instruction by the CREST applications host) from which the issuer's agent is able to retrieve the CREST Voting Instruction by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the transmission of CREST Voting Instructions. It is the responsibility of each CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that the CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a CREST Voting Instruction is transmitted by means of the CREST service by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Voting Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
